SWAYAMSIDDHA AWARD 2015

JIYO DILSE AWARD 2015

COFFEE TABLE BOOK

Today TEC is a “center of excellence for cataract and refractive treatments” with a mission “Vision for everyone” and is committed to provide technologically advanced, best quality, comprehensive eye care at affordable cost to all sections of the society.

We offer both outpatient and inpatient services at TEC Gandhinagar. We have expanded our hospital network in Kalol, Chandkheda with new branch opening at Vijay cross roads, Ahmedabad. The hospital serves array of patients from Gujarat, neighboring states and abroad and has treated more than 5 lakh people and performed more than 50,000 cataract surgeries.

Services provided at TEC are comprehensive eye checkup, refractive surgery, LASIK, Cataract with latest IOLs, Glaucoma, Diabetic eye problems, pediatric ophthalmology, computer vision syndrome, low vision rehabilitation, neuro ophthalmology, pterygium, squint & optical solution also..The hospital quality systems are accredited towards best class standards and all key processes are defined to meet the ISO and NABH standards.

TEC team’s social initiatives include 400+ “Awareness Lectures on Avoidable Blindness”, 800+ “Free Eye Check-up & Diabetic Camps” attended by more than 80,000 patients across villages, cities, corporate, and government sectors across Gujarat and Eye Donation rally in Gandhinagar.

Eye screening is also conducted at schools and senior citizen groups as a part of social responsibility endeavors. We conduct educative programs for school teachers and parents to detect eye problems at an early age. Similarly while doing corporate eye screening, we make them aware of Computer Vision syndrome (CVS) and ways to reduce its impact on eye health. Our journey has just begun... the best is yet to come...
